COVER DRAWING

Snowmobiling is here to stay, and it will continue to grow as our population expands. . . . It is up to all of us who ride the snowdrifts to do our part to make snowmobiling a respected sport.

SELECTMEN'S REPORT

The members of the Board of Selectmen engaged in the usual round of activities: meeting weekly on Tuesday nights to work on payroll, pay bills, keep records and to interview those who came into the office for information, advice on one matter or another or to make complaints; and, to make whatever decisions the Selectmen are called upon to make in the performance of their responsibilities. Numerous extra meetings were used in preparation of records and reports. Assessing properties in the field and the revising of property assessment cards and recording transferred properties have been time consuming.

In carrying out the will of the last Town Meeting, bridge repair became a chief concern last summer. Major repairs were made on the Bohamon and the Roy Ford bridges. For a number of years the Bog Bridge has given us deep concern, especially in view of several accidents there, and we feel that we should no longer postpone its reconstruction. Hence, we recommend the adoption of the Article in the Warrant.

Sections of the North Road were resurfaced and sealing was done on the Frazier Sfith Road and the new section of Waukeena Road. The sealing of several black top roads is on the agenda for this summer.

The Board met with the New Hampshire State Highway engineer and the Town Highway Safety Committee and weighed the pros and cons relative to the improvement of the traffic flow in the village, at the intersection of Routes 4 and 104. The State's layout of the island area appears to have eliminated some of the confusion to motorists at the intersection. It is suggested that interested groups and citizens cooperate in a beautification project of planting in the island some low growing shrubbery strategically located so as not

to obstruct vision.

The Highway Department has been somewhat handicapped this winter by repeated breakdowns of major parts on the Town truck, a vehicle purchased in 1967, now 5 years old, and with more than an accumulated 70,000 mileage. To guarantee efficient operation, the Highway Department requires dependable equipment. It is advisable that, from here on, a sum of money be set aside each year, beginning in 1973, in the Capital Reserve Fund in anticipation of the purchase of new trucks as they are needed in future years. This will ease the tax burden of paying the full cost of a truck in one year and, also, will save interest in cases where a bank loan is necessary.

It was gratifying to all of us to learn that it was not necessary to increase the tax rate in 1971. Our good fortune was realized because of the $6000 subsidy from the Gas Tax revenue, our Town's share of the New Hampshire State's new source of income.

You are urged to read reports of the various groups serving our Town and, especially, to note the achievements of the latest organizations reporting; namely, the Danbury Planning Board and the Kearsarge Visiting Nurse Association. We commend their efforts most heartily.

The members of the Board of Selectmen are most appreciative of Town Officers and public spirited citizens who have shown serious interest in our efforts by their expressions of goodwill and their cooperation. Please continue to send in your suggestions on matters of concern to the Town and the townspeople. Constructive and cooperative suggestions and justifiable criticisms will be given careful consideration.

Respectfully submitted,

DONALD J. COOK, Chairman
CARL A. SEAWARD

New Patrons: 18
Circulation: 2,708

Bookmobile: 3 visits - left 1,495 Books

Librarian: Mrs. June Brown

We wish to thank the following friends for their gifts to the Library:

Mrs. Almeda Wiggin
Mrs. Barbara Ford
Mrs. Carlene Hillsgrove
Mr. and Mrs. Kenneth Huberman
Mrs. Charles Abbe
Mrs. Ruth Lym
Mrs. Sylvia Hill
Mrs. Lila May

We also received a gift "In Memory of Stanley L. Ford."

The Library now has a gas furnace which adds a great deal to the comfort of our Librarian and our Patrons. If you haven't already done so, why not stop by and browse in comfort?

A reminder to everyone that the Librarian can fill special requests for books by sending to the State Library for them.

We are now required by State Law to pay our Librarians the minimum wage. We also have several more repairs to make on the building itself, therefore we are asking for an increase in our appropriation.

Respectfully submitted,
PHYLLIS J. TAYLOR, Chairman
MARY L. BROWNELL
JOANNE PHELPS

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Lest We Forget – It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 – nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand – a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.

4. *Most important* – Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination

which leads to destructive loss and can lead to tragedy.

The past year – 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned – 1971 season:

State	463 fires	160 acres
District	26	10.8
Town	1	1/3

Snowmobile warnings	6
Dump violations	4

Hours worked on above - 316: hours not charged for - 90; miles traveled - 6216; gasoline from town pump - 417 gals; use of own vehicle - 1200 miles, not charged to the Town.

There has never been any charge for fires, funerals,

weddings and things of that nature.

Not listed above, and which is of importance to the Town is the number of runs with the cruiser to the hospitals, three of which were heart patients and the others accident victims.

Police work requires a large amount of time in paper work. Papers are prepared for minor court cases, felony cases and for booking DWI suspects. All this paper work is done at no charge to the Town.

There should be money provided by the Town for the cost of flares, at $35.00 a case, the cost of which I have been assuming.

LAWRENCE W. CURREN
Police Chief, Danbury

DANBURY PLANNING BOARD

Immediately after the last Town Meeting your Planning Board held 8 meetings, 2 of which were open to the public, to draw up, correct and finalize the Subdivision Regulations for the Town of Danbury, also Minimum Road Standards for the Town of Danbury. These were then recorded with the Merrimack County Registry of Deeds, the N.H. State Planning Board and N.H. Water Supply and Pollution Control Commission. Members of the Planning Board put in many volunteer hours traveling and attending meetings to obtain information on Planning Board duties and Subdivision Regulations. The Planning Board has granted approvals (in some cases partial approval) for 6 subdivisions.

It was voted, in accordance with paragraph 36:8 of the Planning Enabling Legislation in New Hampshire, to hold regular meetings on the 2nd Wednesday of June, September and December and 1st Wednesday of March. Special meetings can be called by the chairman whenever necessary.

Members	*Term Expires*
John Knott, Chairman	1976
Gertrude Mauch	1971
Ray Russell	1972
Andrew Phelps	1973
John Ford	1974
Phyllis J. Taylor, Secretary	1975
Carl A. Seaward, Selectman, Ex-officio Member	

Note: There is a change in the penalties law for transferring lots in *unapproved* subdivisions. The law now reads "pay a penalty of $500 for each lot or parcel transferred or sold." Chapter 36:27 Planning Enabling Legislation in New Hampshire.

KEARSARGE VISITING NURSE ASSOCIATION

The Kearsarge Visiting Nurse Association, which serves Danbury and six other communities, has had a very busy and productive year, offering residents such services as skilled nursing care, physical therapy, speech therapy, nursing evaluations, case-finding and health supervision in such areas as mental health, diet instruction and use of surplus foods, instruction on safety hazards, care of newborns, crippled, handicapped and retarded children and adults, disease prevention and health promotion.

Also, referrals were made to physicians, welfare, child and family services, nursing homes, school nurses, mental health clinics, local organizations, other VNAs, hospitals. There were communications with hospital personnel, medex, social service department for purpose of follow-up through their referral system to K.V.N.A.

Mrs. Lois Spearman, R.N., visiting nurse, traveled 11,687 miles during 1971, making 1,252 visits. *139 of these visits were to homes in Danbury.*

Immunization clinics, for all participating towns, were held in each of the towns New London and Warner in April, May, June September, October and November, a total of 12 clinics reaching 294 children with 548 immunizations. The following vaccines were available: DPT, tetanus, polio, smallpox, measles and rubella.

Conferences and professional meetings attended by the visiting nurse included:

1. Board of Directors' Meetings of the K.V.N.A.
2. Consultations with physicians, VNAs, welfare, etc.
3. Inservice education regarding:
    a. Crotched Mountain Rehabilitation Center
    b. Blue Cross-Blue Shield requirements

c. State TB control program
d. Other local VNAs, their problems - with discussion of cases and procedures
e. Interviewing and orientation of relief nurse for vacacation, sick leave, etc.
f. Observing and finding abnormalities of the heart and lungs.

4. Discussions with State public health nurse in this area
5. N.H. Council on Aging
6. Alcohol and drug abuse symposium
7. Cancer workshop
8. Lecture on diabetes

Future plans of the Association include expansion of health supervision and promotion with the utilization of a part-time nurse; more frequent immunization clinics; child health conferences; responsibility for following of TB patients (re new State TB control program); and, keeping community and local organizations more aware of their own health needs and help them to meet those needs.

During 1971 *Danbury contributed 8.1% of total money contributed by participating towns and received in excess of 11% of the service given.*

The valuable health services rendered by the Association speak for themselves. As Danbury's members of the Board of Directors, we heartily recommend the continuous participation of the Town of Danbury in the Kearsarge Visiting Nurse Association.
